

**Grade 1 Patterning and Algebra**  
**Ontario Educational Resources Bank (OERB) Activities**

<b>Patterns and Relationships</b>	
<b>Activity</b>	<b>Description</b>
<p><b>Friendship Bracelets</b></p>  <p><b>Resource ID: ELO1161200</b></p>	<p>Practise extending repeating patterns involving one attribute by identifying the pattern core (smallest part that repeats) and selecting the next appropriate colour, shape, size of bead to create pattern bracelets.</p>
<p><b>Jazzy Jewels</b></p>  <p><b>Resource ID: ELO1138650</b></p>	<p>Practise creating a repeating pattern involving one attribute by designing a jewel showing a repeating pattern using different gem shapes.</p>
<p><b>What is the Pattern</b></p>  <p><b>Resource ID: ELO1421780</b></p>	<p>Practise extending repeating patterns involving one attribute by identifying the pattern core and selecting the next shape in the pattern. Then create a repeating pattern involving one attribute (colour, shape, size).</p>
